❖ Meet World-Renowned Experts

With keynote speakers from Microsoft and the community, we bring the best in the industry and give you the opportunity to meet them and learn from their experiences.

❖ Improve Your Network

Every year MVP Mix is **SOLD OUT** making it the hottest technology conference in the southern US. Hundreds of developers attend this conference to learn from the top speakers about new technologies, tools, techniques.

❖ Learn from Experience

All the speakers of MVP Mix have years of practical experience working on real-world projects. They aren't just theoreticians or trainers, but real-world coders, developers and architects who have achieved great expertise with hands-on experience in that technology.

❖ Ask the Experts

At MVP Mix, you get the unique opportunity to have a conversation with the speakers and get your most pressing questions answered. With all the high-quality sessions and full-day workshops offered, you are sure to learn valuable information and stay up to date on the best practices that you can take back and apply immediately in your work.

❖ Expand Your Career

By attending MVP Mix, you keep yourself up-to-date by learning new technologies, tools and techniques. In 2015, we had testimonies from developers who increased their salaries anywhere from $20,000 to $80,000 in just one year.

❖ Explore New Horizons

In this **two-day intense training**, you will enjoy the perfect blend of high quality sessions and full-day workshops at an affordable rate that helps you master the technologies that are hot and in high demand.

❖ Encounter New Strategies

Our world-renowned speakers love to share new tips, tricks and strategies that can help you solve your technical problems. Our sessions include a blend of presentation and hands-on coding that give you practical experience in that technology.

❖ Unearth New Tools and Technologies

MVP Mix always focuses on giving the best to the community and we filter and pick topics that are hot, trending, and most relevant to the industry. You will get a chance to learn about trending technologies and get hands-on experience with new tools and techniques that will help you and your organization succeed.

❖ Reveal Your Expertise

As you learn about the latest and greatest technologies from our expert speakers, you open up opportunities for yourself by getting ahead of your peers and setting a reputation of being the go-to expert for your clients.

❖ Great Venue, Food and Takeaways

Our mission is to give you a wonderful experience and have fun learning new technologies. You will take away zeal, knowledge, and of course, conference swag!
